

# HEATON SPORT

STUDENT CODE OF CONDUCT – AT HEATON WE CARE

## COMMITMENT

Show dedication to your team by attending all meetings, training sessions and games. If you are unable to take part in a session, you must inform your coach. Take responsibility for your own equipment, and bring all necessary sports kit to sessions.

## ATTITUDE

Demonstrate a positive attitude during all games. Be gracious winners and dignified losers. Show great character by recognising the positive contributions of others. Play within the spirit of the game, shake hands with opponents, coaches and officials.

## RESPECT

Never argue with a referee. Play by the rules and play to the whistle. Accept the officials decision, and speak calmly with your coach if you have a concern. Show courtesy and high regard for your teammates and opposing players.

## EXCELLENCE

Give it your absolute all! Set high personal standards, and work as hard for your team as you do for yourself. Demonstrate this attitude and approach across all areas of school life, not just in the sporting arena.

Failure to follow the Heaton Code of Conduct (CARE) will result in a representative sport stand down or could jeopardise your position within a school team.
